

The Fine Print

Agreed Price Service Plans run from 1 July to 30 June.

Plans which are entered into after 1 July of the relevant year will be pro-rated and may incur a higher regular payment owing to the smaller number of payments in the year.

Plans which are cancelled before 30 June of the relevant year will be considered nullified. An invoice for any work completed prior to the cancellation date will be issued in place of the Plan and any regular payments will be applied to that invoice. The 10% discount offered for the Plan will be forfeited.

While minor incidental work is included as part of the Plan at no extra charge, significant changes to the scope of work to be undertaken will require the Plan to be amended.

If a payment under this agreement is dishonoured by your bank, a catch-up payment will be debited and an additional service charge will be incurred by you.

Client Testimonial

"Haslam's innovative agreed price service plans provide our business with tremendous benefits by giving us certainty of what our accounting fees will be each month. Gone are the days of being scared to ring our accountant for fear of the huge bill arriving after the event.

It saved us money and assisted with our cash flows in combination with the excellent knowledge and very prompt service of the Haslam team. It has been a big win / win for us. I would recommend Haslam's to any business."

Agreed Price Service Plans

Bundle your accounting services together and save with our Agreed Price Service Plans.

The Benefits

There are many advantages to choosing an Agreed Price Service Plan including:

Fully Transparent Pricing - You will know exactly how much your accounting services will cost up front.

No Bill Shock - Never be surprised by an unexpected accounting bill.

Smooth Cashflow - Spreading your accounting fees across the year makes them more manageable than a big bill when your tax is completed.

Choice of Frequency - Easy direct debit payments by the week, fortnight or month.

Added Extras - Minor incidental work such as enquiries, forwarding of documents, transaction coding assistance is all included at no extra cost.

Built In Discount - All services included in the Plan are discounted by 10% on our standard rates.

How It Works

It's easy to set up an Agreed Price Service Plan:

1. We will discuss with you the work you would like us to complete this financial year.
2. We will ask you whether you'd like to make weekly, fortnightly or monthly repayments.
3. We will present a Proposal for the work to you, showing the breakdown of costs and the regular instalment amount.
4. You will sign a Direct Debit Agreement with us.
5. We will take the regular payment directly from your bank account.

If the scope of work changes during the year, your Agreed Price Service Plan will be amended and a new Direct Debit Agreement will need to be signed.

Eligibility

Agreed Price Service Plans are available to any of our clients whose annual accounting fees exceed \$550 (including GST).
